AYANA GIBSON, R.N.	:	ORDER OF
LICENSE #26NR 12977600	:	REINSTATEMENT OF LICENSE

TO PRACTICE NURSING IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's request for reinstatement of her New Jersey nursing license, which had been suspended pursuant to a Final Order of Discipline entered on June 5, 2014. The basis for the suspension was respondent's failure to document completion of continuing education requirements attributable to the 2009-2011 licensing cycle, in violation of N.J.A.C. 13:37-5.3. In addition, a reprimand was imposed for the violation of N.J.S.A. 45:1-21(b) based upon her

misrepresentation on her 2011 renewal application with respect to whether or not she would have timely completed continuing education requirements.

Respondent has paid the \$250 civil penalty imposed by the June 5, 2014 order, and has provided documentation of thirty contact hours of valid nursing continuing education completed in July and August of 2014. Accordingly, the Board finds that respondent has satisfied the condition for reinstatement imposed by the Final Order of Discipline.

Accordingly, the Board finding that reinstatement of respondent's nursing license is appropriate, and for other good cause shown;

IT IS on this 10th day of October, 2014

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of her license to practice nursing in New Jersey is hereby granted.

2. Respondent may not use any nursing continuing education completed prior to August 6, 2014 to satisfy renewal requirements for the 2013-2015 licensing cycle.
